

Collaborative Learning Primer Lesson

Goal

To learn how to be a positive remote learning collaborator

| TOGETHER |

Attendance Questions

What does **positive** group work online look like?

or

What does **negative** group work online look like?

"You can't repeat anyone else's answer"

Preparation description

- Instruct students to find the best location to give their presentation
 - The light should be come from the same direction as the camera
 - You should be the only one in the room
 - Wear headphones with a microphone for the best audio

| INDIVIDUAL |

Students find their ideal location

| TOGETHER |

Have everyone on the conference call turn their cameras on to show their location

Project Description

- Students get into groups to generate an acronym that describes positive group work
- Individual students will justify one of the words in the acronym

| BREAKOUT ROOMS |

Students work on their acronyms

| TOGETHER |

Spotlight each group and have them present

Choose an class acronym
